IRON MASK

INDUSTRIAL PARK

Dom Kuric Photography

About Iron Mask Industrial Park

Iron Mask Industrial Park, by Comet Industries Ltd. represents a significant advancement in Kamloops' future and contributes to its economic development. Spanning 190 acres, this new light-industrial development is poised to boost the local economy by providing much-needed light-industrial space for businesses. The industrial park is strategically located to leverage existing transportation networks, enhancing connectivity and efficiency for businesses that will call it home.
